

The Great Lakes Regional Pollution Prevention Roundtable (GLRPPR) is a professional organization dedicated to promoting information exchange and providing networking opportunities.

#### **Mission Statement:**

GLRPPR develops and promotes information resources and training for and facilitates networking among the region's P2 technical assistance providers.

#### **Benefits of GLRPPR**

GLRPPR benefits the Great Lakes Region by:

- Working to reduce pollution through the efforts of our members and constituents
- Providing an effective network that collects and disseminates quality P2 information and expertise
- Improving collaboration among local, state and regional agencies
- Providing a focal point for policy dialogue and discussion of regional pollution prevention and compliance issues
- Attracting funding for member organizations
- Providing training for members and others
- Developing regional pollution prevention resources.

#### **GLRPPR Services include:**

- Specialized information searches
- Blog
- Information clearinghouse
- Resource materials for small businesses
- Contacts and expert referrals
- Calendar of events
- Training and conferences
- Networking opportunities
- Listservs

**GLRPPR** is proud to be a member of the Pollution Prevention Resource Exchange (P2Rx). Through its coordinated efforts with P2Rx and other organizations, GLRPPR has developed Topic Hubs, web-based guides to overviews, processes and resources specific to a particular subject including:

- Case studies
- Fact sheets
- Technical reports
- Links to experts

**GLRPPR** also maintains a Contacts Database for locating business assistance and services within the Great Lakes Region and beyond. The database includes:

- Contact information
- Sector/Topic area of expertise
- Geographic service area
- Resources offered
- Clients served

#### **GLRPPR Membership:**

Members of GLRPPR include individuals from local, state, provincial and federal programs, business, industry and educational institutions that promote pollution prevention. It serves the Great Lakes Region (Illinois, Indiana, Michigan, Minnesota, Wisconsin, New York, Ohio, Ontario, and Pennsylvania).

Membership in the Great Lakes Pollution Prevention Roundtable is open to anyone interested in pollution prevention and compliance activities. Basic Membership is free although nominal fees may be charged for specific activities.
